Notes:

1. 2023 figures are shown in brackets.
2. Maximum possible score is 82 (82). Occasions where ringing is by invitation are not included.
3. Total attendance by ringers was 1405 (1309). This figure includes 48 attendances by identified ringers who are not shown and who rang once only in 2024 and (in most cases) were not recorded in 2023. The total also includes 30 (0) attendances by unidentified visitors. The average attendance was 17.1 (16.0).
4. The longest uninterrupted run was 82 consecutive attendances achieved by PJH who had a 100% attendance record. If roll-overs from 2010 onwards are taken into account, PJH's run extends to 1052 consecutive attendances which comfortably exceeds any previously recorded such figure. His run spans over 14 years.
5. Each asterisk by a name indicates that an attendance has been counted although the ringer did not actually ring.
