1. 2019 figures are shown in brackets.
2. Maximum possible score is 14 (81). Occasions where ringing is by invitation are not included.
3. Total attendance by ringers was 256 (1369). This total includes 3 (13) attendances by unidentified visitors. The average attendance was 18.3 (16.9).
4. The longest uninterrupted run was 14 consecutive attendances achieved by both PJH and FHK. Both had a 100% attendance record in 2020. If roll-overs from 2010 onwards are taken into account, PJH's run extends to 798 consecutive attendances which comfortably exceeds any previously recorded such figure. His run also spans over 10 years.
5. Each asterisk by a name indicates that an attendance has been counted although the ringer did not actually ring.
